
Trash Pick Up Route No Later Than 1:00PM

The ***Nor Este Neighborhood Association (NENA)*** has coordinated with the City to participate in the **Make a Difference Day Clean-Up** by sponsoring a neighborhood clean-up.

The route for trash collection/pick-up is shown on the reverse. All bagged lawn waste, cuttings and bundled pruning should be neatly piled along this route for pick up **no later than 1:00 PM, Saturday 24 Oct.** Plastic bags may be picked up at 7728 Oakland Avenue on the day of the clean-up

City Ordnances make property owners responsible for the areas behind their privacy walls along streets and roads. Pitch in and take advantage of the city/neighborhood effort and help protect our property values.
